CHAPTER 68

The Paladin

Kill No More

HAISER LOOKS
DESPONDENT. WILL
HE BE ALL RIGHT?

Yes.

Seriously,
Kaiser,
the zombies
don't let
you to place
over that
gem.

Sigh, it's
but a gem.
Surely it's not
more important
than your life?

If Lolo
hadn't
dragged
you to the
pedestal to
replace the gem
in time, you'd
probably be in
the Zombie
Army by
now.

Don't worry.

Lilo-O-Gie,
how's your arm
doing?

I can
move it
now.

That
kind of healing
maxur,

...won't leave
a single scar, I
assure you!

The gates to
the Northern City
of Freesia are just up
ahead. Once we're
there, we'll be able
to get the best
healing
maxur.

...FREAKIN' GROWLING!

MY STOMACH IS...

FOR BEAUTY

I will treat you to some tasty food, so cheer up Katsuramen.

...the machine will automatically identify us.

Once we scan our student ID's at the checkpoint,

Cheer! Get moving.

Hurry! Hurry, will you!

This place is famous for its barbecue. Once we get Lick all patched up, I'll treat you all to dinner at a famous restaurant.

Firenia is the closest city to the Lesser Dragon Plateau and also the northernmost city in all Acacia. It's also called Northern City Firenia.

The citizens here face the Lesser Dragons pretty often, so they're all agile and brave, and the manners and customs here are pretty rough.

There are so many real trees here!

It's much more spacious here than Acacia, and there are far fewer flying dragons.

**I'M FRICKIN'
STARVING HERE!!**

However, it
doesn't work so
well for internal
injuries.

The healing
mixture is particularly
effective for external
injuries. You're mostly
healed now.

Looks like I'll
have to rely on my
KI to recuperate for
the next few days.

TOTALLY
AWESOME!

WOO
HOO!

We got
lucky, there's
one last dining
room left.

We'd like
a room,
please.

Gin, if there's no room available here, you can just visit another restaurant for your meal. Why make things difficult for a lady?

**NO WAY!
WE RESERVED
THE ROOM FIRST.
MY PARTNERS AND
I WILL NEVER
ENCOURAGE EVIL
BULLYING!**

You'd be dead meat if you went up our room!

Mind your own damn business. If you don't like me scolding her, you can give up your room! Otherwise don't preach and act all goody-goody.

Never! At
white noon, he
declared that he
wanted to travel the
world, and that's why
he disappeared.

Impossible!

The Paladin
would never be
in this remote
area.

Now he has
come to Fiesole.
Nothing wrong with
that, right?

Where is he?
Oh, where is
he? Let me
know where he
is, please?

U?

The great
Sir Paladin is
really here?

That everybody
went to check out
the strange events in
Lancelot Dragon Palace
two days ago. I only
just heard that he's
coming back today.

Lancelot?

So, I came to
book a restaurant
room in advance, and
I'll have a drink with
him later.

Doesn't this
mean I get to
see the famous
Paladin later?

HEY
WAIT. WHY
AM I EVEN
TELLING YOU
THIS?

**I. WANNA.
EAT. GRILLED.
MEAT!**

When a
white noise is felt
such an intense
urge to kill.

.....

Sir Lancelot
wants to eat
and drink to
his heart's
content.

Yeah,
so give up
your room
now!

BUT I
WANT TO
MEET THE
PALADIN!!!

PALADIN? BIG
DEAL! IS HE
EDIBLE? CAN
HE FILL MY
STOMACH?

"Since you aren't a
big group, and my party is
just Lancelot and me, why
don't we just share the
room?"

"I can have a
meal with Mr.
Lancelot?"

How
about
this?

I'M GOING
NUTS WAITING.
WE'VE ALREADY
GRILLED THREE
MOUNTAINS
OF MEAT.

DAMN
YOU, LANCE,
WHERE THE
HELL DID
YOU GO?

WOLF,
I NEED
REINFORCE-
MENTS
NOW!

!?

!?

Twenty
years ago...
The Dragon
Emperor sealed...
Black Dragon...

I guess I
won't get to
see the Paradise
today.

DRAGON!!

Fortunately,
we left the ruins
quietly enough that
he didn't find us
there.

I don't want
any trouble.

She actually
brought along the
Silver Mask.

I don't
have much
choice now.

That girl
Punty.

« باشی آن یکسور مستور و خفا که
کرده سحر را که در ظاهر نه چون شما
... نیست با سحر »

« چه بهما خدایان
... آفت آبی باستان »

...IF YOU
DON'T GET
YOUR ASS
HERE IN THREE
SECONDS
I'LL SKIN
YOU AND MAKE
A COAT OUT
OF YOU.

HEAR
ME, STEED
BLACKIE.
I SWEAR
ON MY NAME
OF BLOOD
WOLF,

WHAT
DID YOU
SAH??

Such a
nonverbal
spell can actually
summon
something?

Why is this
summoning
spell so different
from what Purly
taught me?

...and
follow
me. Let's
slaughter
those Lesser
Dragons!

Hey kiddo,
summon your
mount.

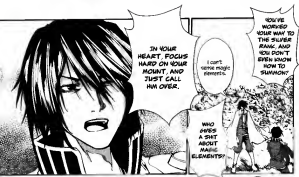

IN YOUR
HEART, FOCUS
HARD ON YOUR
MOUNT, AND
JUST CALL
HIM OVER.

I can't
sense magic
elements.

YOU'VE
WORKED
YOUR WAY TO
THE SILVER
RANK, AND
YOU DON'T
EVEN KNOW
HOW TO
SUMMON?

WHO
GIVES
A SHIT
ABOUT
MAGIC
ELEMENTS?

.....

Bao-Li Long?

.....

.....

Is he here to support
his father?

Sacred White Dragon

Runt...

.....

Dragon
Emperor's
bloodline?

He most
definitely is not
a royal.

I'm not from
the royal family of the
Dragon Emperor.

It's a lie, right?
Even if you were the
youngest child of
the Dragon Emperor,
you'd be a Gold-Rank
Knight by now.

Such
a dumbass
dragon!

We told you,
the Dragon Emperor
gave birth to a prince
twenty years ago! I— uh,
er, Silver Moon unobtainably
got Baol Long
to acknowledge him as
master. It was an
accident.

Can't you get such a
simple explanation through
your brick skull? What's the
use of your humongous
head? You got tofu in that
skull of yours instead
of brains?

Kaiser.
